CONDITIONS AND STIPULATIONS AGREED TO BY THE APPLICANT

1. The banners will be at least nine (9) feet above the ground or curb; ten (10) feet above the sidewalk; and, in the case of street banners, eighteen (18) feet over the highway.
2. Pole banners will clear the face of the curb (if present) by at least two (2) feet.
3. The applicant (or applicant's designee) will maintain the banners as permitted.
4. The installation of the banners will not require the installation of poles or other support devices on the right of way.
5. The applicant and sponsoring organization will hold the Florida Department of Transportation harmless to the extent allowed by the laws of Florida in all matters concerning the banners.
6. The applicant is responsible for any damages to public property resulting from the materials or the work of this permit.
7. A sketch of the proposed banners is attached.
8. View of traffic control devices is not impeded to those served by the erection of these permitted banners.

APPLICATION FOR BANNER

AGREEMENT: By signing the reverse of this form, each applicant agrees to the provisions of Section 14-43.001(5)(d), Florida Administrative Code:

1. To the extent provided by law, the Applicant shall indemnify, defend, and hold harmless the Department and all of its officers, agents, and employees from any claim, loss, damage, cost, charge, or expense arising out of any act, error, omission, or negligent act by the Applicant(s), its agents or employees arising from activities under this permit.

2. When the Department receives a notice of claim for damages that may have been caused by the Applicant in the performance of activities that arise under this permit, the Department will immediately forward the claim to the Applicant. The Applicant and the Department will evaluate the claim and report their findings to each other within 14 working days and will jointly discuss options in defending the claim. The Applicant shall bear all expenses of the Department in the defense of this claim.

REQUIRED ATTACHMENTS:

- A sketch or drawing of the banner(s), drawn to scale, including any message, logo, or emblem that will appear on the banner.
- A sketch of the specific location(s) of the banner(s), including height, location of supports, proximity to utility poles.
- Sketches, photographs, or specific descriptions of the method used to affix the banner to the support structure.
- Load rating analysis (or photocopy of previously-submitted analysis) bearing the seal of a professional engineer.
